

Flying Start Nursery And Pre-School Fairford

February 2018 newsletter

Preparing for school....

.....These are words you will probably hear a lot from us over the next few months!

As in previous years, we are working very closely with Fairford primary to ensure there is a smooth transition for our school leavers. We have however noticed over the past couple of years that more children are transitioning to other local schools and therefore this year we will be doing our best to work closer to all local primary schools.

We have meetings (for our practitioners and their teachers) planned throughout the year with Fairford primary on top of the usual visits that normally happen in the summer term.

We also plan to gain some school uniforms from all local schools to have in our home corner (if you have or know someone who has any please do let us know) On top of this we will be contacting schools for photos of their setting to have in our book corner. This will give your children the chance to familiarise themselves with the setting they will be in.

As we are unable to attend schools outside of walking distance with your children we believe that the steps above combined with their teacher visiting them within the setting and the induction sessions they and you will be invited to their transition to "big" school will be a smooth and happy one!

Going social

We have recently revamped our website so please do take a look.

www.fairfordnursery.co.uk

On there you can access important information such as session times, fees and example menus. You can also visit the parents information tab for registration forms, terms and conditions and session amendment forms. Plus much more.

There is also a link to our Facebook page where you can find recent activities, topics for conversation and other up to date information such as important dates.

Search for @FairfordNursery and give us a like!

Baby and toddler room garden area

We have plans to section off the garden to ensure we have space for both the babies and toddlers to not only let off some energy but to relax in a quiet environment.

Vicky and Michelle are planning to visit Lechlade Little Learners for some inspiration from their garden.

Please do let them or Janet know if you have anything you think would be good for this space.

Teaming up with Hyperion House

Before Christmas our preschool children had a wonderful time visiting the residents of the Hyperion House. They sang carols, did crafts and had a cheeky biscuit and milk snack! What more could you ask for to get you in the mood for Christmas!

Due to the huge success for both our children and the residents we have made plans to visit them every Monday afternoon at 3pm.

This will be starting from Monday 19th February. We will keep you posted on the fun they get up to!

WELCOME TO OUR NEW CHILDREN,

Jacob, Henry
